

Welcome!!

Welcome you to the second annual Born to Run Summer Classic, June 25 & 26, 2011.

This year, we are back on the upper soccer field. Follow the entry road of Elings Park (Jerry Harwin Parkway) to the soccer fields on the left.

We have 68 races on both Saturday and Sunday. After careful analysis, we decided that one ring would provide smoother racing and less conflicts. We expect racing to go 8 – 9 hours to please plan accordingly.

Friday Set up

We will be setting up Friday night between 6:00 and 8:00pm. Feel free to set-up at 6:00, but be mindful of the space we will need for the rings. The park gates will be locked after sunset but the park is not fully fenced. While we've never had problems in the past, leaving personal items is at your own risk. There will be no security or campers on-site.

Park Rules

Because of severe fire danger, the use of BBQs and camp stoves is prohibited. There are BBQ grills in the picnic areas that can be used.

Overnight camping is not allowed in the park. RV camping is available at Earl Warren Showgrounds. See our website for details and contact information.
